Please do not send your child with a Trapper keeper. There will not be enough room in the desk for it. Your child will also be supplied with a box to store pencils, scissors, crayons, etc. Therefore, it is not necessary to send in a pencil box with your child. Book covers are also required for students. They will have four hard covered books with one of them being an extra large book. Brown paper bags are acceptable and I have some book covers at school if students would like to borrow them.

Water bottles will be allowed; however, **ALL** water bottles **MUST** have a screw on cap. If the water bottle tips over and leaks, I will be sending the water bottle home. We will also have a morning snack. If students would like to bring in a snack to keep at school, that would be okay. Snacks must be healthy (Goldfish, Cheez-It, granola bar, etc). I will not be providing snack for students so if your child would like a snack, please be sure they have a snack.
