Reminders

The Christmas parade is this weekend. Please be at the float by 5:00 tomorrow. We are float number 15. Please dress your child warmly as it tends to get chilly on the float. You can pick up your child at the church parking lot off M-25 when the parade is done.

We will begin walking to the Community House next week. Students will have work to do while we are at the Community House. If they would like to, they are welcome to bring an extra bag to school to carry work to and from the Community House.

Your child drew a name for Secret Santa last week. A note went home yesterday with more information about it. If you have any questions, please feel free to contact me.

Grades will be updated this weekend. Thank you for your patience with this.

Weekly Learning

Religion: We have been working on our conscience and learning how we can develop a good conscience.

Math: We have been working very hard on our multiplication facts. We have learned how to round numbers and how to relate fractions and decimals.

Social Studies: We are learning more and more about the three branches of government and how they balance each other out.

Science: We finished talking about the planets and have moved onto discussing the constellations. The students are each creating their own constellation.

Reading: The students have been reading either Tales of a Fourth Grade Nothing or Little House in the Big Woods. They have been having some excellent discussions about the books.

Grammar: We have been learning about common and proper nouns.

Writing: The students are working on a persuasive piece about what they would like for Christmas.

Student Recognition

On Monday we did Investigation 4A in math. On Tuesday we started light bulbs to show how kind we are. On Wednesday we had our last ACT Wise. On Thursday we had mass. On Friday, it was a \$1 T-Shirt Day —Malena

Secret Students: Andrew, Kyle, Fischer, Ansley, Malena

Puzzle Pieces: 55/60 pieces of the third puzzle! The students have decided that they would like to work towards an Electronic Day.
