Reminders

Thank you for all of your help and support for the Christmas float! The float turned out amazing and we received several compliments on how beautiful it looked. Thank you to all of those who donated hot chocolate and to those who walked in the parade with us.

The students have been doing a great job at the Community House. They need to work on their lines and the whole school songs. They are not allowed to use their scripts on stage any more so it is very important to practice this weekend.

On Tuesday, we will not be going to the Community House to practice. We will be having reconciliation at 10:00 on that day. We will also have our first Secret Santa gift that day. Students will need to bring in a homemade gift for their Secret Santa that day. Only on this gift can you write who the gift is to. I would like to keep the secret until the day of the party. If you have any questions, please feel free to contact me.
