Reminders

The iPads turned out great! The kids did such a wonderful job on them! I will be posting pictures on the website and they will also be displayed in the hallway.

Next week is going to be a very busy and exciting week. Some of the fourth graders will be participating in the talent show on Tuesday. The talent show will begin right after prayer and pledge. Parents are welcome to join. After the talent show, we will head to our classrooms for a bit before beginning our Valentine's Day party. We will just be playing some games and having a small treat. Students are welcome to bring in valentines to hand out to their classmates. After lunch, we will be heading to the Fat Tuesday carnival and end our day with the Pic-in-the-Face. Wednesday will be Ash Wednesday mass. The students will just be attending mass. Wednesday is also Jump Rope for Heart. Thursday, the students will be attending mass and participating in the reading, petitions, and reflection. There will be no mass for us on Friday.

As the school year is half over, many of the students have noticed that their supplies (glue, crayons, markers, etc.) have been used up. Please check with your child to make sure they have the supplies they need. Thank you.

As you can see in the upcoming events, I will be gone for a week. Mrs. Hirn will be subbing for me while I am away. If you have any questions while I am gone, please contact her. Thank you.

Weekly Learning

Religion: We began learning about the first commandment and how we can put God first.

Math: We spent a lot of time this week working on long division and similar and congruent figures.

Social Studies: We finished up the Northeast region. The students also looked at the different iPads representing each of the northeast states.

Science: We learned various ways to measure matter: cups, pints, feet, yards, millimeters, etc.

Reading: The students read an interesting story called *Heat Wave*. It was a story about a crazy heat wave that hit a farm and how the farmers tried to end the heat wave.

Grammar: We talked some more about the homophones there, their, and they're. We also started talking about plural nouns.

Writing: We are working on our Student Treasure books and are just about ready to begin the rough drafts.

Student Recognition

Secret Students: Fischer, Peyton, Loryn

Puzzle Pieces: 77/100 pieces of the fourth puzzle! The students have decided that they would like to work towards having pizza for lunch and then playing at the Community House.

Awards: At the end of the second marking period, all of the planner punch cards were put into a bucket and the winner got to pick a prize from the prize bucket. Congratulations to Maddie for having her name drawn. We then put all of the punch cards that have been completed since the beginning of the school year. Andrew received a Subway gift card. Congratulations to you both and keep getting those punch cards filled out!

Rogan celebrated his birthday with us last Thursday. He brought in Hershey bars to celebrate with us. We hope you had a wonderful day Rogan and thank you for the delicious treat!

Good Luck to Loryn and Peyton as they compete in the region spelling bee competition this weekend!
