

Hallock Happenings

Week 5
October 2-
October 6

"Rooted in our Catholic faith, Our Lady of Lake Huron School nurtures character through service, promotes academic excellence, and develops Christ-centered virtues."

Reminders

Grades will be updated again this weekend. As always, if you have any questions or concerns about your child's grades, do not hesitate to contact me.

Our second field trip of the year has been planned for Tuesday, October 17. We will be traveling to the planetarium in Bay City to watch a movie about earth, sun, and moon. We will also receive a tour of the night sky. Information went home about this on Thursday. I will need 3-4 parent drivers to get us to Bay City. If you are interested in going, please let me know by next Tuesday.

Cookie dough order forms went home this week. They will be due back on October 16. Delivery for cookie dough will be November 8.

The students began their ACT Wise course this week and from what I hear, everything went really well.

Weekly Learning

Religion: We jumped back into our religion books to discuss how we trust in God and what we do to show that trust.

Math: This week, we learned about temperature, expanded form, and adding and subtracting with regrouping.

Social Studies: We got to pick which items we would like to sell at the School Store. We also discussed banks and borrowing money.

Science: This week, we focused on the moon. We learned how craters are formed and the difference between a solar and lunar eclipse. We also drew the different phases of the moon.

Reading: After Akiak, we read about a journal a grandfather took. He was born in Japan, moved to the United States but then eventually moved back to Japan because he missed his homeland.

Grammar: We worked this week on subjects and predicates.

Upcoming Events

Mon., Oct. 9: Moon Phases quiz; gym class

Wed., Oct. 11: math test; reading test; grammar test

Thurs., Oct. 12: Mass—6th Grade

Fri., Oct. 13: \$1 T-Shirt Day; spelling test; menu #4 due
